DIV. OF OIL, GAS & MINING

RE: Mine Name: Lakeview Quarry/Mary Clark Property Expansion
Operator Name: Lakeview Rock Products
Location: Southern Davis County

Dear Mr. Baker, Ms. Heppler & Mr. Kunzler:

As I recall, all three of you have been involved in meetings and/or conversations with former North Salt Lake Mayor Shanna Schaefermeyer, former North Salt Lake City Manager Collin Wood and/or me regarding the above-referenced quarry, located within North Salt Lake City. Your professionalism and assistance have been greatly appreciated.

The purpose of this correspondence is to provide notice that a SETTLEMENT AGREEMENT was executed on or about March 5, 2010 between Lakeview Rock Products and North Salt Lake City compromising and settling pending litigation between the City and Lakeview regarding property previously known as the "Mary Clark parcel". A brief summation of the facts of the case are as follows:

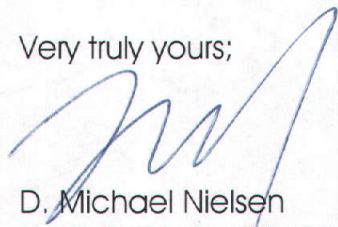

- a. Lakeview Rock Products purchased the "Mary Clark" parcel in 2007.
- b. Thereafter, Lakeview commenced mining operations.
- c. In the City's opinion, such action was in violation of the applicable zoning designation.
- d. The City's position was that Lakeview had a duty to secure a permit from the City prior to commencing operations.
- e. Lakeview disagreed with that view, claiming that the parcel was previously associated with mining operations and that such operations could continue, regardless of zoning designation.
- f. The City filed an action for injunctive relief. Ultimately, the parties were able to settle their differences and execute the attached SETTLEMENT AGREEMENT.
- g. The said agreement was entered as an Order of the Second District Court by signature of Honorable David Connors, District Court Judge on or about March 26, 2010.

Copies of the Order and exhibits are attached. Pursuant to the terms thereof, as ordered by the Court, a definitive line has been established. Mining operations are permitted as a non-conforming use **west** of the definitive line. No excavation will occur **east** of the definitive line. That property will be utilized for residential purposes.

Please consider the attached documents. If you have questions, comments or suggestions, or if the City can provide further assistance in any way, please do not hesitate to contact either me, Mayor Len Aarve or City Manager Barry Edwards at (801) 936-3877.

Again, thank you for your assistance in this matter.

Very truly yours;

SETTLEMENT AGREEMENT

Agreement made this 5th day of March, 2010, between Lakeview Rock Products, Inc. ("LRP"), and the City of North Salt Lake ("City"), to settle all claims and disputes set forth in the litigation now pending between LRP and the City (hereinafter referred to as "Parties") in Case No. 080700245, Second District Court, Davis County ("Litigation").

RECITALS

WHEREAS, the Parties are currently in Litigation that was initiated by the City as a part of its zoning enforcement efforts against LRP, for an alleged violation by LRP of City's zoning ordinances; and

WHEREAS, the parties now desire to settle the Litigation in all respects, and in furtherance of this desire to settle the Litigation the Parties have set forth below the terms of settlement and dismissal of the Litigation ("Agreement").

NOW, THEREFORE, in consideration of the mutual covenants and promises herein, and for valuable consideration that is hereby acknowledged, the Parties agree as follows:

1. DISMISSAL OF LITIGATION, WAIVER, ATTORNEYS FEES. Pursuant to this Agreement and an Order to be entered by the Court in the Litigation, the Parties agree that the Litigation shall be dismissed on the merits and with prejudice, and further agree to forever waive any and all claims against each other for any damages, costs, or losses, which may now exist, or may in the future exist, arising out of, or related to, the Litigation and any of the claims giving rise to the Litigation.

a. Attorneys Fees. The Parties agree that they shall each bear their own attorneys fees and costs incurred in prosecuting and defending the Litigation.

2. PROPERTY SUBJECT TO SETTLEMENT. While the Litigation is related to certain property owned by LRP that is specifically described in the Litigation, the property subject to the terms of this Settlement Agreement is both the property described in the Litigation, and additional property recently acquired by LRP shown on Exhibit "A" as Parcel 2. The parties hereby agree that both parcels are subject to this Settlement Agreement as set forth below.

3. LEGAL NON-CONFORMING USE RECOGNIZED. As part of this Settlement Agreement the City hereby acknowledges and agrees that the property shown as Parcel 1 on Exhibit "A", which Exhibit is a part of this agreement, will be recognized by the City as having a Legal Non-Conforming Use, allowing for continued mining use of the property described as Parcel 1 on Exhibit "A". Mining shall not be allowed on the property described as Parcel 2 on Exhibit "A".

a. Permits, Applications. LRP agrees to submit to the City, and City agrees to approve, any applications or permits necessary or required by the City's ordinances to effectuate a Legal Non-Conforming Use as set forth above.

b. Residential Zoning. LRP acknowledges and agrees that Parcel 2 of Exhibit A is currently subject to residential zoning as it is now zoned, and shall not be entitled to the legal-nonconforming use provisions herein as described in paragraph 3a above.

4. ZONING AND LAND USE. City hereby agrees that all of the zoning uses and densities that now exist on Parcel 2 as it is zoned as of the date of this Settlement Agreement shall continue in perpetuity.

a. LRP hereby waives any rights it may have in any prior City approvals related to the North Salt Lake Heights subdivision on Parcel 2, and acknowledges and agrees that any future development of Parcel 2 shall be through a new application to the City in accordance with the City's Land Use Development and Management Act at the time of application, and this Agreement.

5. AMENDMENT, NOTICE.
